EDUCATION

Oregon State University, Corvallis, Oregon	<i>Summer 2021</i>
Ph.D. in Mathematics	
Adviser: Prof. Yevgeniy Kovchegov	
Overall GPA: 3.98	
Chulalongkorn University, Bangkok, Thailand	<i>2016</i>
M.Sc. in Mathematics	
Overall GPA: 3.94	
Khon Kaen University, Khon Kaen, Thailand	<i>2013</i>
B.S. in Mathematics	
First class honors, gold medal	
Overall GPA: 3.98	

RESEARCH INTERESTS

My current research focuses on Probability and Stochastic Processes. I am currently working on adapting Stein's method developed by A. D. Barbour to reprove the Brownian bridge asymptotic results of T. M. Liggett. My work is related to statistical mechanics, interacting particle systems, and Gaussian Free Field (GFF).

TALK AND CONFERENCE PRESENTATIONS

Graduate Student Summer Seminar	<i>July 27, 2021</i>
Functional Stein's method	Oregon State University, USA
10th World Congress in Probability and Statistics (Online Conference)	<i>July 22, 2021</i>
Proving Liggett's FCLT via Stein's method	Soul National University, Korea
The 11th ICMSA (IMT-GT) 2015	<i>November, 2015</i>
Generalizations of Schweizer-Wolff Measure of Dependence	Pattaya, Thailand
The 8th Conference on Science and Technology for Youths	<i>March, 2013</i>
More Forms of the Fundamental Theorem of Calculus via the Kurzweil-Henstock Integral	Bangkok, Thailand

CONFERENCES

2021 Southeastern Probability Conference *May 17 – 18 , 2021*
Virtual Conference in honor of Elizabeth Meckes

The Online Open Probability School *May 18 – August 13 , 2020*
All courses took place online due to Covid-19

The Seminar on Stochastic Processes (SSP) *March 4–7, 2020*
Michigan University, East Lansing, MI

- Funded participant

The 41st Midwest Probability Colloquium *October 10–12, 2019*
Northwestern University, Evanston, IL

- Funded participant

Seminar on Stochastic Processes *March 13–16, 2019*
University of Utah, Salt Lake City, UT

- Funded participant

The 2018 SIAM Annual Meeting (AN18) *July 9–13, 2018*
Oregon Convention Center, Portland, OR

- Funded participant

Frontier Probability Days 2018 (FPD'18) *March 29–31, 2018*
Oregon State University, Corvallis, OR

The 20th Annual Meeting in Mathematics (AMM 2015) *May 17–29, 2015*
Silapakorn University, Nakhon Pathom, Thailand

The 7th International Conference of the ERCIM WG on Computational
and Methodological Statistics (ERCIM 2014) and 8th International
Conference on Computational and Financial Econometrics (CFE 2014) *December 6–8,*
2014
University of Pisa, Italy

SUMMER SCHOOL

Houston summer school on Dynamical systems *May 30 - June 6, 2019*
University of Houston, Houston, TX

- Funded participant

TEACHING EXPERIENCE

Graduate Teaching Assistant
Oregon State University, Corvallis, OR

- MTH 451/551 Numerical Linear Algebra (Grader) *Summer 2021*
- MTH 241 Calculus for Management and Social Science *Winter 2021*
- MTH 241 Calculus for Management and Social Science *Fall 2020*
- MTH 256 Applied Differential Equations *Summer 2020*
- MTH 231 Elements Discrete Mathematics *Spring 2020*
- MTH 231 Elements Discrete Mathematics *Winter 2020*
- MTH 254 Vector Calculus I *Fall 2019*
- MTH 241 Calculus for Management and Social Science *May 1–June 15, 2019*
